02 · HOW IT WORKS

1, 2, 3, 4 and your accounting is taken care of

Accepting the offer does not yet bind you to an agreement. The actual agreement is signed separately with your online banking credentials.

1

Accept the offer

Press **Accept offer** on this page. We are notified immediately.

2

Sign the agreement

We send the engagement agreement to Lemonaid, where you sign it with bank credentials.

3

Start using Lemonaid

The software is available to you right after the agreement.

4

Kick-off meeting

Your own accountant gets in touch and you agree on a kick-off meeting. You focus on your business.

03 · ABOUT US

We make running a business effortless

Lemon Tree has more than a decade of experience in a fresher way of doing accounting. We combine human understanding with technology so that you can focus on what you do best. We take care of the rest.

2014 Founded

71 Experts

4,000+ Customers

9,15 / 10 NPS recommendation score

We refresh accounting

At Lemon Tree we boldly do things our own way. We speak the entrepreneur's language, keep things simple and make finances easy to understand.

We are worthy of trust

Trust is the foundation of everything. We treat our customers honestly and simply, without needless complications. We keep our promises and take responsibility.

We succeed together

Good vibes are contagious. We are an approachable team that helps each other and our customers wholeheartedly. Nobody is left alone, neither at our company nor as our customer.

04 · REVIEWS

What other entrepreneurs say about us

Choosing an accounting firm should not be left to sales talk. Instead, see what your fellow entrepreneurs think of us:

★ 4.7 / 5 average rating · 945 reviews · Trustmary score 87 / 100 · Already 23 customers in your industry

★★★★★

"Easy and good service. Price."

Stanislav Stoyanov-Pitkänen · 300 Consulting Oy

★★★★★

"A lot of good things like LemonAid, but still could be more possibilities like automatic monthly billing."

Timo Tapani Saari · Yazzo.io Oy

★★★★★

"Smooth operations. Easy to work with. Great tool (Lemonaid) for handling all the required actions."

Kai-Mikael Alanne · koodalanne Oy

05 · SOFTWARE

Lemonaid – your company's finances in one view

Lemonaid is software designed for entrepreneurs that brings everyday financial administration into one place.

● **€0/month** — included in the service package, no separate licence fee

Invoicing

Unlimited e-invoices and email invoices, at no extra cost.

Customer and product register

Enter the details once, reuse them on every new invoice.

Receipt capture

Photograph the receipt with your phone — no need to keep paper receipts.

Accounting reports

Your company's financial position, clearly, from up-to-date reports.

Purchase invoices and payments

Receive and pay purchase invoices directly inside the software.

Payroll

Pay salaries and keep the calculation basis in the same place.

06 · ADDITIONAL SERVICE

Lemon Tree Payroll — full-service payroll

When you want certainty and ease in payroll for the entrepreneur or your employees, Lemon Tree Payroll takes care of all of it for you.

- ✓ Fast payroll processing
- ✓ Holiday pay management
- ✓ Wage garnishments
- ✓ Salary certificates
- ✓ Personal advice
- ✓ Interpretation of collective agreements
- ✓ Trade union membership fees
- ✓ Holiday pay accrual with the financial statements

OUTSOURCE TO US

Lemon Tree handles the entire payroll process for you, from start to finish.

Entrepreneur payroll (YEL)	**20 €** / payslip
Employee payroll (TyEL)	**24 €** / payslip

Payroll yourself in Lemonaid

14 € / payslip

Once you know the basics of paying an entrepreneur's salary, Lemonaid keeps the calculation rules up to date, and you approve and pay the salaries yourself.

lemon·tree

Finland's most recommended accounting partner.
